Brown Enterprises Contractor Services Division We offer the full array of repair, renovation, remodel and construction services whether residential or commercial we've got you covered. Our contractors are licensed, bonded and insured. If you have a small job as simple as painting a room, repairing a small water leak, to building a master suite addition, new roof or even new construction we are the firm for you. Please scroll through our pictures below for some of our work before and after work. Our Services Include but are not limited to:

- ***Painting***-Interior, exterior, sheetrock, ceiling and wall repair, residential, commercial, rental property or custom paint jobs.
- ***Flooring***-carpet, tile, hardwood floors (lamineate or sand and finish), linoleum, subfloor repairs, water damage, etc
- ***Tile***-from simply tiling a bathroom or kitchen floor, tiling a tub surround, to complex custom designed tile configurations on walls, countertops, backsplashes and fireplaces. Marble, Granite and Ceramic tile.
- ***Granite***-We install granite countertops in kitchens and bathrooms. We

measure, fabricate and install granite.

- **Mold Remediation**-We specialize in mold remediation and water damage. We use EPA approved cleaning agents, air scrubbers, blowers, we handle demolition, haul off and dumping. We sand and vacuum the studs. We also encapsulate the studs. We can handle the put back as well; continue to read for our services offered.
 - **Water Damage**-We repair leaks and water damage, whether a simple toilet leak, shower drain pan, roof leak, etc. We can install a new shower drain pan, repair broken water lines, replace sheetrock, subfloor, etc
 - **Plumbing**-from diagnosing the source of a leak, installing fixtures (toilets, sinks, faucets, tubs, Jacuzzi's) to plumbing a whole house.
 - **Lighting**-troubleshooting and installation of lighting. Ceiling fans, can lights, chandelier assembly and installation.
 - **Electrical**-diagnose, troubleshoot and repair electrical problems.
 - **Appliance Installation and Repair**-Dishwashers, Microwaves, Stoves, Refrigerators, Freezers, Ice makers, etc
 - **Bathroom remodel/redesign**-We can design your bathroom or go with your design. We can do intricate tile designs with tile accents/jewelry, custom glass enclosures, tile or granite countertops, sinks, tubs, toilets, faucets, lighting if you can envision it, we can create it.
 - **Kitchen remodel/redesign**-We can redesign your kitchen the way you use it every day and make it modern or any other design idea you may have. We can install disappearing downdrafts, hoodvents, cabinets, countertops, trash drawers to hide garbage, painted or stained cabinets, granite countertops, tile, Formica, solid surface, quarts or any other countertop you desire. We can install any type of flooring you want, tile, hardwood, linoleum, etc. We can install any kind of appliances you want, white, black, stainless steel, etc.
 - **Master Suite Addition**-We can design and build master suite additions for you. We can use brick facades, vinyl, hardiplank, etc on the exterior. We can install all of the electrical outlets, plumbing, drywall, flooring, paint and anything else you desire in your master suite.
 - **Carpentry**-Cabinets, baseboards, door casing, crown molding, chair rail, door installation, etc
 - **Decks**
 - **Additions**
 - **Maintenance**-General maintenance services, small jobs, investment properties with competitive pricing.
